Professional Boundaries & Physician Sexual Misconduct - Georgia Composite Board Requirement

HOW DO I GET CME CREDITS?

First Step: Do you have an MCG CloudCME account? If the answer is no (or you have never logged into CloudCME using your AU credentials), see the instructions on the right side of this page.

Once you have activated or established your MCG CloudCME account, from your cell phone, text the **Activity Code 23248 to 833-765-0126.**

Texting the Activity Code records your attendance, it does not award CME credit.

After you have viewed the video & taken your post-test, log into your MCG CloudCME account to access your certificate.

UNDER THE MY CME ICON OPTION, YOU CAN:

➢ View and/or print your Transcripts
➢ Take Evaluations and/or print your Certificates
➢ View Registrations and/or print Receipts
➢ View your previous Tests
